

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEBRASKA

JANE DOE 1 and JANE DOE 2,

Plaintiffs,

vs.

BOARD OF REGENTS OF THE  
UNIVERSITY OF NEBRASKA,

Defendant.

Case No. 4:20-cv-03081

**STIPULATED PROTECTIVE ORDER AND  
ORDER ALLOWING USE OF  
PSEUDONYM**

Pursuant to FED. R. CIV. P. 26(c) and the request set forth in Rule 26(f) report of Plaintiffs, Jane Doe 1 and Jane Doe 2 (“Plaintiffs”) and Defendant the Board of Regents of the University of Nebraska (“Board of Regents” or “Defendant”), it is hereby ORDERED as follows:

1. Definitions. For purposes of this Order, “party” and “parties” shall mean the named parties to this litigation.

2. Lawsuit. Plaintiffs, former students of the University of Nebraska, filed this action, asserting claims arising under Title IX of the Education Amendments of 1972, and involving sensitive underlying facts.

3. Pseudonym. The Plaintiffs be allowed to proceed in this action under the pseudonym Jane Doe 1 and 2, and that all parties to this action and their attorneys shall refer to Plaintiff under this pseudonym with respect to all court filings, unless the court filings are restricted.

Further, the alleged perpetrators shall be referred to as John Roe 4 and John Roe 5, and that all parties to this action and their attorneys shall refer to them under this pseudonym with respect to all court filings, unless the court filings are restricted.

4. Materials Deemed Confidential. If a party or an attorney for a party (or a third-party subject to subpoena issued by the Court in this case or an attorney for such third-party) has a good-faith belief that certain documents or other materials or information (including digital information), subject to disclosure pursuant to a discovery or other request, are confidential and should not be disclosed other than in connection with this action pursuant to Rule 26(c) of the Federal Rules of Civil Procedure, the party or attorney shall mark each such document or other materials as “CONFIDENTIAL.” “CONFIDENTIAL” documents, materials, or information may include, but are not limited to: trade secret, proprietary, or confidential business documents or information; medical records and information; tax and financial records and information; documents containing personal or financial information for current or former students of University of Nebraska who are not parties to this action, including their names; documents and information otherwise subject to confidential treatment pursuant to Family Educational Rights and Privacy Acts; documents or information otherwise subject to confidential treatment pursuant to 26(c) of the Federal Rules of Civil Procedure, including but not limited to protect the Plaintiffs, alleged perpetrators and student witnesses from annoyance, embarrassment, and oppression.

5. Designation of Depositions as Confidential. Portions of depositions taken in this action that contain confidential information may be designated “CONFIDENTIAL” and thereby obtain the protections accorded other “CONFIDENTIAL” documents. Confidentiality designations for depositions shall be made either on the record during the deposition or by written notice to the other party within thirty (30) days of receipt of the deposition transcript. Unless otherwise agreed, depositions shall be treated as “CONFIDENTIAL” during the thirty (30) day period following receipt of the deposition transcript. The deposition of any witness (or any portion of such deposition) that encompasses information or documents designated

as “CONFIDENTIAL” shall be taken only in the presence of persons who are qualified to have access to such information.

6. Redesignation of Materials or Depositions as Confidential. In the event a party inadvertently produces confidential documents or materials without the designation “CONFIDENTIAL” or inadvertently fails to designate information in a deposition as “CONFIDENTIAL,” it shall not be deemed a waiver of the confidential nature of the information, documents or materials provided that the producing/designating party notifies all other parties of the inadvertent production or failure to designate within twenty-one (21) days after the producing party’s production or after the party first learns of the failure to designate with respect to a deposition. In the event the disclosing/designating party notifies the receiving party that information or a document or thing was produced without the appropriate confidentiality designation, the disclosing party shall provide the receiving party with replacement copies of the documents or things bearing the appropriate “CONFIDENTIAL” designation and page/line designations of any deposition testimony designated as “CONFIDENTIAL.” Upon receipt of the replacement copies, the receiving party shall retrieve and return or destroy all copies of the previously produced documents or things.

7. Challenging Designation of Confidentiality. If a party or an attorney for a party disputes whether a document or other material should be marked “CONFIDENTIAL”, the parties and/or attorneys shall attempt to resolve the dispute between themselves. If they are unsuccessful, the party or attorney challenging the confidentiality designation shall do so by filing an appropriate motion. The disclosing/designating party retains the burden of establishing the protected nature of any document or information claimed as “CONFIDENTIAL” pursuant to Federal Rule of Civil Procedure 26(c) and this Stipulated Protective Order.

8. Distribution of Confidential Materials. No party or attorney or other person subject to this Protective Order shall distribute, transmit, disclose or otherwise divulge any document or other material which is marked “CONFIDENTIAL”, or the contents thereof, except in accordance with this Stipulated Protective Order.

9. Persons Entitled to View Materials. Any document or other material which is marked “CONFIDENTIAL,” or the contents thereof may only be disclosed to the following individuals:

a. the Plaintiffs and any individuals Plaintiffs’ counsel determines, in good faith, are potential witnesses in this action, provided that Plaintiffs’ counsel shall not allow any such individuals to retain a copy (in any form whatsoever) of any document or material marked “CONFIDENTIAL”;

b. the Defendant, including its board members, Title IX officers, and management employees, as well as those current and former employees and representatives who have a need to know or review such documents or materials in order to represent the Defendant’s interests in this matter or to sufficiently testify during a deposition or at any trial of this case;

c. counsel for the parties to this action who are involved in the conduct of this action, together with the partners, associates, secretaries, paralegals, assistants, agents and employees of such counsel;

d. the insurer for any named Defendant, together with the insurer’s designated claims representatives, adjusters, employees, or representatives who have a need to know or review such documents or materials;

e. the Court and any court officials involved in this action (including persons such as court reporters and persons operating video recording equipment at depositions);

f. any person designated by the Court in the interest of justice, upon such terms as the Court may deem proper;

g. persons noticed for depositions or designated as trial witnesses, but only to the extent reasonably necessary to prepare them to testify or to sufficiently examine their scope of knowledge on matters relevant to this case; all such individuals must sign the undertaking attached hereto as Attachment "A";

h. outside consultants or experts consulted or retained for the purpose of assisting counsel in this action who sign the undertaking attached hereto as Attachment "A", but only to the extent reasonably necessary for them to provide such services in this action; and

i. any person or entity who created the document or previously viewed or received the document in a lawful, legitimate manner.

10. Use of Confidential Materials. Any document or other material which is marked "CONFIDENTIAL", or the contents thereof, may be used by a party, or a party's attorney, expert witness, consultant, or other person to whom disclosure is made pursuant to and in compliance with the terms of this Protective Order, only for the purpose of this action. Nothing contained in this Protective Order shall prevent the use of any document or other material which is marked "CONFIDENTIAL", or the contents thereof, as evidence at trial or on any motion, or at any deposition taken in this action, as long as the party using the document or other material complies with the other provisions of this Protective Order. The parties, attorneys, and other persons to whom disclosure is made shall take appropriate measures in court filings and proceedings to protect the confidentiality of any document or other material which is marked "CONFIDENTIAL." A party seeking to file materials marked "CONFIDENTIAL" under seal must follow the procedures set forth in Local Rule NECivR 7.5. In the alternative, the parties may file documents and pleadings under restricted access pursuant to Local Rule NECivR 5.3(c). If the pleading or document is already subject to this

Protective Order, no additional formal motion to file under restricted access is required. Any documents or pleadings to be filed with the Court must bear the caption of this litigation and pleading or document title and such other description as will allow the Court to readily identify the documents or information or portions thereof so designated.

11. Return or Destruction of Confidential Materials After Litigation. At the conclusion of the proceedings in this action, the recipient of all documents and materials marked "CONFIDENTIAL", including any copies or extracts or summaries thereof, or documents containing or derived from information taken therefrom, shall submit a written certification that all "CONFIDENTIAL" materials have been destroyed. Notwithstanding the other provisions of this paragraph, counsel for each party may retain up to two (2) complete sets of the pleadings, trial transcripts, exhibits admitted in any deposition, documents filed with the court, deposition transcripts (including deposition exhibits), and discovery responses and shall remain bound to preserve the confidentiality of such documents in accordance with the provisions of this Protective Order. Nothing herein shall require legal counsel for any party to return or destroy correspondence, including electronic email correspondence, which has "CONFIDENTIAL" materials attached thereto.

12. Subpoenas and Legal Process. In the event that any of the parties are subpoenaed or are served with any other legal process by a person not a party to this litigation, and are requested to produce or otherwise disclose "CONFIDENTIAL" information that was so designated by another party, the party subpoenaed or served as referred to in this paragraph shall object to the production of the such information by setting forth the existence of this Protective Order and shall give prompt written notice to the party who produced the information in this litigation. Nothing in this Protective Order shall be construed as requiring the party from whom "CONFIDENTIAL" information was requested to challenge or appeal any order requiring production of such information covered by this Protective Order, to subject itself to any penalties for noncompliance with any legal process

or order, or to seek any relief from this Court. Notwithstanding the other provisions of this paragraph, a party from whom “CONFIDENTIAL” documents or information are subpoenaed or otherwise required by a governmental agency may produce the documents or information to that agency without itself making objections, but shall provide prompt written notice of any such subpoena to the party who disclosed the “CONFIDENTIAL” information.

13. No Effect on Other Issues. Nothing contained in this Protective Order and no action taken pursuant to it shall prejudice the right of any party to contest the alleged relevancy, admissibility, or discoverability of the documents or other materials marked “CONFIDENTIAL” and disclosed pursuant to this Protective Order.

14. Waiver and Modification. To be effective, any waiver under this Protective Order must be made in writing or on the record in a deposition or court proceeding. Nothing herein limits the scope of discovery under the Federal Rules of Civil Procedure or shall be construed to limit any party’s ability to file a motion seeking any modification of this Protective Order.
